Bartlett Roofing

Company Name - Bartlett Roofing

- 

Boise, Idaho, USA

Full-time

We're growing our in-house software team at Bartlett Roofing! This position will be in-office in Boise, Idaho. We will not consider remote applicants for this role. Over the past year, we've brought design and development in-house and have been working hard to sync the two. We restarted our product design about 4 months ago, and we are starting to be more prepared for development. We are looking for someone with extensive Software Development experience in Mongo, as well as other databases to
