Contact Us - The Tech Hiring Platform

Contact us for all of your tech hiring needs

Dice is a hiring platform that only does tech. If you're hiring engineers, developers, analysts

or

technicians

, you need to be on Dice.

Fill tech jobs fast

The Dice community is expansive, diverse and growing, with more than 6.8M

Dice members, and over

60K

new members per month.

Access tech talent you can't find anywhere else

46%

of active tech professionals on Dice are not actively searching for jobs on sites like LinkedIn, Indeed, Monster, ZipRecruiter and CareerBuilder.

More qualified applicants for each job

1.4M

job applications per month are submitted on Dice.

Success

Back

Thousands of top tech employers on Dice, including...

"When it's a technical position, I always go to Dice first to quickly find quality candidates my clients love."

EXCELL, A Division Of COMPUCOM

"All the features are easy to navigate, and the search engine is not overwhelming as I get the right candidates and skills the first time around. Lastly, I get the best service support interaction. They are quick to help with any issues and they do it with top-tier service."

The Select Group

"My collaboration with Dice has far surpassed my expectations. With a user-friendly interface and extensive database, Dice swiftly connects us with skilled professionals who align seamlessly with our needs and company culture. Their personalized approach and tailored support have been pivotal to our success."
