IntelliSearch™

Utilize Dice's robust AI and patented tech taxonomy by pasting a job description or resume, and receiving candidate matches in seconds.

Multi-Location & Time Zones

Save time by sourcing from multiple locations or entire time zones in a single search.

Advanced Filters

Pinpoint candidates through detailed filters including likeliness to switch jobs, security clearance, desired compensation and more.

Dice Profiles

More than 98% of new visible profiles on Dice include: name, work authorization, location, work type preference, resume, email, job title and at least 5 skills.

Social Profiles

Expand your search with millions of Social Profiles, which aggregate candidate information from the open web.

Likely to Switch

Simplify your sourcing by predicting how likely a candidate is to engage in new opportunities.

Unbiased Sourcing

Build out more diverse, higher-performing teams by removing data that can cause bias early in the sourcing process.

Last Active

See when job seekers were last active on Dice to find the ones who may be actively searching for their next opportunity.

In a time crunch? Let Dice source talent for you.

Our expert Sourcing Services takes work off your plate. We source and screen so you can focus on interviewing and hiring.
