Post a Job Opening | Dice for Employers

Connect your jobs with engaged and qualified technologists.

Dice leverages tech-focused AI to match your jobs with the most engaged, relevant and qualified technologists based on each role's unique requirements – and enables them to apply in just a few clicks.

Post your jobs and connect with an engaged and targeted audience on Dice for up to 30 days.

We'll also promote your jobs beyond the Dice site to preferred technologist channels.

The result? On average, Dice sees apply rates 2x higher than tech industry benchmarks.
